Oswaldtwistle Area Council
Residents and interested parties

Dear Resident

Oswaldtwistle Area Council Meeting, Tuesday, 12 April 2005

The next meeting of the Oswaldtwistle Area Council will be held on Tuesday 12th April at the Civic Theatre, Union Road and will commence at 7.00p.m.

On the Agenda we have the plans for the refurbishment of the Co-op site, some exiting news in community issues including the 'Green Enforcement' project, Oswaldtwistle festival and **BIG** changes for Rhyddings Park. We will also debate the need for further play areas in Oswaldtwistle including a presentation on a new scheme for Belthorn. As a parent myself I know many residents would like to see more facilities for children in our area so I would urge as many residents as possible to come to the meeting to gauge feelings on all these subjects.

An Open Forum form is provided for your questions for the meeting. Please use this form if you are intending to come to the meeting when my colleagues and I would be happy to discuss any issues that you may have, alternatively you can write to your local Ward Councillor.

Please find attached an Agenda, the Minutes of the last meeting together with the form mentioned above. Also enclosed is a poster and we would be grateful if you could display this in your window as we would like to see more people attending the meetings.

We can now provide this paperwork and invitation by electronic mail (e-mail) and if you would prefer to receive your papers by email, please contact us with your name, address and e-mail address and we will do the rest.

I look forward to seeing you on the 12th April.

Yours sincerely,

Councillor Peter Britcliffe
Chairman of Oswaldtwistle Area Council
